Some Thoughts...

We assert that organizing your celebration should not be stressful, or at very least regarding the number of services we provide! We've developed the customers favorite menus for that specific reason. Our tried and true selections can be referred to by menu number and will simplify the process of selecting from hundreds of individual items to complete your meal.

If on the other hand you don't see a set menu to your taste we encourage you to visit our website, or call/fax to inform us of your desires. Our talented staff is very capable & willing to fulfill nearly any request. At Turasky's Catering the customer ALWAYS come first!

NEWS...

We have recently reengineered our website in order to more efficiently serve our customers. Additional information about our varied lines of service, an updated listing of our specialties, and convenient new ordering methods are now available at our home on the web!
